Learning and Recognition of Prior Learning Advising

NQF Level 4: 50 Credits

This course will equip learning and RPL advisors to:

- Prepare for and support individual and group outcomes-based learning sessions
- Provide learners with guidance and support around their learning
- Develop evidence for assessment
- Continuously improve their practice through reviewing support systems and practices in their organisation

Participants in the programme review current learner support practices in their organisations, as well as the requirements of these practices and how to improve them.

Duration

This course consists of self-directed online learning (video lectures followed by completion of various tasks and activities), coupled with facilitator/tutor support over Telegram group chat, Telegram individual chat and six scheduled Zoom group support sessions over a three week period. The regular scheduled support sessions are available on our website for reference.

Unit standards awarded upon successful completion of this learning programme

10294	Identify and respond to learners with special needs and barriers to learning 10 credits
117865	Assist and support learners to manage their learning experiences 05 credits
